What is the SIP score?

The SIP (Standard Item Pool) score is the score a student would receive if they take a standardized test on the CCSS (Common Core State Standards)

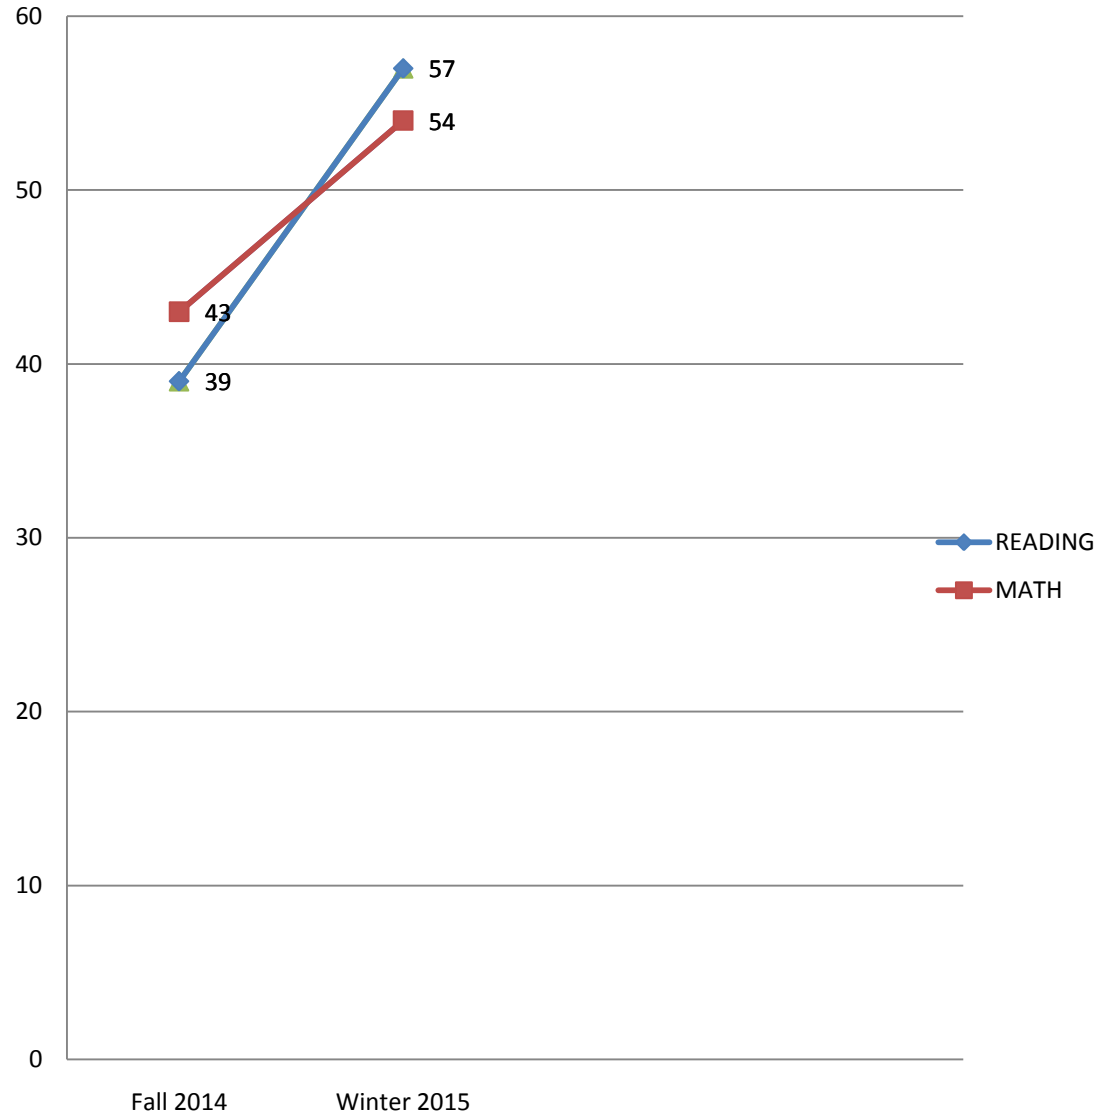

## CCA Upper ES

Students in 3<sup>rd</sup> grade warm our hearts. There is significant growth in reading and math . Students are making progress in both areas.

Students in 4<sup>th</sup> and 5<sup>th</sup> grade have minimal growth however; most scores are close to bench mark (50%)
