

_____’s Monthly Reading Log for
March

The skill for this month is to Summarize what you have read. This means you will retell the main events in the story, but in a shorter version or way.

Try using this to help you:

SOMEBODY Who is the main character?	
WANTED What did the character want?	
BUT What was the problem?	
SO How did the character try to solve the problem?	
THEN What was the resolution to the story?	

IF you are reading non-fiction, then retell this way:

B: In the beginning...

M: In the middle...

E: In the end....
