In accordance with the Academy's plan, the attached list of employees have performed NSLP services for the Academy in the positions/functions listed with each individual's name at 4100 Martin Street, Detroit, MI. These individuals have spent 100% of their time in the performance of these services for the period noted above. I understand that this certification is required by Office of Management and Budget Circular A-87, Cost Principles for State, Local and Indian Tribal Governments and that misrepresentation of facts is a violation of Federal Law.

Regulatory Requirement:

OMB Circular A-87, attachment B & the Michigan School Audit Manual require a completed Certification for employees expected to work solely on a single federal award or cost objective. The certifications should be prepared at least semi annually & be signed by the employee &/or the supervisory official having first hand knowledge of the work performed. It is Academy practice to have these forms signed by both individuals whenever possible. This certification must be supported by the current records of the employee. Such records for both fully & partially funded positions include, but are not limited to: lesson plans, time sheets, written schedules, staff logs or other evidence of contemporaneous service performance signed by the employee the supports the actual time allocation.
