**Positives:**

Start using crafter for ideas in what to use } There should be at least 2-3 formative for Math, Reading and Writing. At least 1-3 for Science / SS. This looks like you weren't grading anything the last grade 2 weeks.

⊙ Blank entries need to have reason why

**Suggestions:**

- ⊙ Give students a quiz/summative to provide data that they're getting it since the assessment dates are farther away.
- ⊙ Make sure to enter DRA scores to reflect a more accurate reading grade as summative
- ⊙ Marcus - need to EXEMPT him from previous assignments
