Please list three goals to for you regarding teaching and learning. Please think of discussions we have had regarding data, classroom observations, lesson planning, classroom management, etc.

This goals will be monitored throughout the year.

1. I will use PD strategies to teach how to read and move my students reading levels higher.

2. I will incorporate speaking and listening strategie to make a more focused paragraph.

3. I will utilize my progress monitoring tools to move my students in the tiers.
