

Proposed revisions to district mission and vision statement-

Hi Pamela! I met with some staff members and below are their suggestions; they are mostly grammatical in nature. The only real suggestion was to add in the word "safe" as it is currently a district initiative (and our highest rating on parent survey feedback). Our thought was if we add it in, it will help with the allocations of grant and general funds for security guards, equipment, etc. We also discussed posting outside of each classroom (in addition to within) to help indoctrinate all stakeholders with our revised statements. (I made changes below in track change mode so you can see our suggestions followed by a clean version below). Thanks for having the meeting yesterday and I'm sorry I wasn't there I had therapy.
